

## NSPE/PEPP Albert H. Miller, P.E. Memorial Scholarship Fund

Dear Colleague:

The National Society of Professional Engineers' Professional Engineers in Private Practice division has established the Albert H. Miller, P.E., Memorial Scholarship Fund to ensure that Al's enthusiasm for educational excellence and professional development remains an NSPE legacy. You can help make that happen.

Working with Al's alma mater, the University of Arkansas, we will be selecting a well-qualified student committed to a career in engineering for an annual scholarship, to be presented at a public venue where both Al Miller and NSPE will be publicly recognized.

Al is well known in the engineering field for his commitment to our profession and to NSPE. He completed his term as NSPE President after a distinguished and dedicated career, tenaciously hanging in to do the job he was asked to do before shortly passing on.

I am asking you to contribute to this worthy cause; attached is a form for your convenience. Please help Al's enthusiasm for educational excellence and professional development remain an NSPE legacy.

Sincerely,

Bernard R. Berson, P.E., F.NSPE
