AMERICAN COUNCIL OF ENGINEERING COMPANIES

**PROCLAMATION OF MUTUAL SUPPORT
BETWEEN
THE AMERICAN COUNCIL OF ENGINEERING COMPANIES (ACEC)
AND
THE NATIONAL SOCIETY OF PROFESSIONAL ENGINEERS (NSPE)**

WHEREAS, it is the desire of ACEC and NSPE to continue their longstanding and beneficial association, to identify those programs and activities on which the organizations collaborate, and to continue to work cooperatively in these areas for the benefit of each organization's members and the engineering profession,

THEREFORE, BE IT RESOLVED THAT ACEC and NSPE do hereby acknowledge the following areas of joint efforts and collaboration:

- Promotion of qualifications-based selection;
- Development of standard contract documents through the Engineers Joint Contract Documents Committee (EJCDC);
- Improving understanding of the professional liability insurance market by such means as the annual joint ACEC/NSPE/AIA survey of professional liability insurance carriers and the biennial joint meetings of the ACEC Risk Management Committee and the NSPE Professional Liability Committee;
- Supporting local ACEC and NSPE state organizations in such initiatives as they may jointly undertake;
- Working together on supporting and promoting National Engineers Week and its many programs;
- Increasing public awareness of the critical role of engineering in maintaining and improving the public's quality of life.

This Proclamation of Mutual Support is adopted in the spirit of continuing a mutually beneficial working relationship in those areas where ACEC and NSPE have cooperated so successfully for many years.

This agreement supersedes any previous ACEC-NSPE Joint Agreement.
