Advance Your Engineering Career

NYC is the Place for PEs to Unlock BIG Opportunities

NSPECon, NSPE's annual conference, is an exciting hub of inspiration, where attendees advance their careers, form strong connections, and bring transformative ideas to life.

Join us in New York City, August 5-7, to ...

Build connections with multi-disciplinary professional engineers.

Expand your expertise through timely and relevant education sessions.

Network with industry leaders representing sponsors and exhibitors.

Celebrate with your community on PE Day and during NYSSPE's Centennial Celebration.
