Thursday, July 20				
8:00			1 PDH	8:00
8:30	8:00–9:30 Opening General Session Future of Engineering: Education & Beyond with <i>Dr. G. P. "Bud" Peterson, Georgia Institute of Technology</i>			8:30
9:00				9:00
9:30	9:30–10:00 Networking Break with Exhibitors			9:30
10:00	10:00–10:50 1 PDH Cybersecurity for Critical Infrastructures: Challenges and Solutions	10:00–10:50 1 PDH The Future of the Professional Engineering Exam	10:00–10:50 NSPE Executive Director Update	10:00
10:30				10:30
11:00	11:00–11:50 1 PDH Going Digital: Digital Signatures and Digital Document Delivery	11:00–11:50 1 PDH Introduction to Disease Prevention Engineering	11:00–11:50 1 PDH How to Develop the Engineering Leader Inside of You	11:00
11:30				11:30
12:00				12:00
12:30	12:00–1:15 Luncheon Session			12:30
1:00				1:00
1:30	1:15–1:45 Order of the Engineer Induction			1:30
2:00	2:00–2:50 1 PDH Discovery of Water Health Problems in Flint Water Crisis and Associated Future Ethical Implications	2:00–2:50 1 PDH Incorporating the Benefits of Reusable Wastewater in Policy Making	2:00–2:50 1 PDH Growing Into a Strategic Role Within Your Firm	2:00
2:30				2:30
3:00	3:00–3:30 Networking Break with Exhibitors			3:00
3:30	3:30–4:20 1 PDH Innovation in Nuclear Energy: Georgia Power's Vogtle 3 & 4 Project	3:30–4:20 1 PDH Greening our Infrastructure	3:30–4:20 1 PDH The Path to Greater Team Effectiveness and Performance	3:30
4:00				4:00
4:30				4:30
5:00				5:00
5:30	5:00–7:00 Business-After-Hours Reception			5:30
6:00				6:00
7:00				7:00
8:00				8:00
9:00				9:00

Friday, July 21				Saturday, July 22
8:00–9:20 General Session Urban Connectivity: How Transportation Technologies are Changing Infrastructure with <i>David Haynes, Atlanta Regional Commission</i>			1 PDH	8:00–12:00 State Society Executives Council Meeting
9:30–10:00 Networking Break with Exhibitors				
10:00–10:50 1 PDH Introduction to Microgrids for Commercial and Humanitarian Needs	10:00–10:50 1 PDH Water Supply for the Future	10:00–10:50 1 PDH Engineering Education, Accreditation and Licensure: Exploring Current Developments, Trends, and Pressures		
11:00–11:50 1 PDH The Future of Engineering in the Cognitive Computing Era	11:00–11:50 1 PDH Investigating Sinkholes	11:00–11:50 The Future of Professional Engineering		
12:00–1:20 Celebrate Engineering Awards Luncheon NSPE Awards Ceremony				12:00–2:00 NSPE Installation Lunch
1:30–2:20 1 PDH Self-Driving Cars: An Examination of Ethical Issues at the Micro and Macro Scale	1:30–2:20 1 PDH Renewable Energy	1:30–2:20 1 PDH Engineers Managing Engineers	1:30–5:00 State Society Executives Council Meeting II	
2:30–3:20 1 PDH Ethics and Engineering	2:30–3:20 1 PDH Innovation in Infrastructure: South Carolina Ports Authority Projects	2:30–3:20 Rebuilding the NSPE Partnership: A Q&A on the Proposed Business Model		
3:30–3:45 Networking Break with Exhibitors				
3:45–5:00 1 PDH General Session Future Trends: National Economic Outlook and Engineering Industry Forecast with <i>Alex Pearlstein, Market Street Services</i>				
5:30–6:30 NSPE Regional Meetings Check conference app for room locations				
6:30–9:00 Friday Night at the Aquarium (Ticketed Event) Sponsored by Briggs and Morgan
