22 membership a chairperson, vice-chairperson and a secretary, who shall serve one year or until  
23 their successors are elected and qualified. Special meetings of the board may be called by the

13 rights and privileges of a professional land surveyor while the certificate of registration remains  
14 unrevoked or unexpired.

15 (e) Expiration and renewals. - Certificates of registration that expire are invalid,  
16 rendering practice authorized on the basis of that certificate illegal. It is the duty of the board of

27 within a period of four (4) years, provided, that evidence is submitted to the board of land  
28 surveyors attesting to the continued competence and good character of the applicant. The amount  
29 to be paid for the renewal of a certificate after the date of expiration shall be double the regular  
30 fee. In the event renewal is not made before the end of the second year, the board of land  
31 surveyors may require any re-examination that it deems appropriate and the amount to be paid for  
32 the renewal shall be as stated in this section.

33 (f) Lapsed certificates. - Any registrant who allows his or her certificate of registration to

3 may, within ten (10) days of the decision, appeal the matter to the director by submitting a written  
4 request for a formal hearing to be conducted in accordance with the provisions of § 5-8.1-15.

12 the United States while engaged within this state in the practice of land surveying for the  
13 government on property owned by the federal government; provided, that no right to practice land  
14 surveying accrues to those persons as to any other land surveying work. The right to registration  
15 after government employment shall not be granted except under the provisions prescribed under §  
16 5-8.1-11.

17 (3) Other professions. - The practice of engineering, architecture, or landscape  
18 architecture.

19 (b) Sole proprietorship, partnership, limited liability partnership, corporate and limited  
20 liability company practice.

21 (1) The practice or offer to practice land surveying as defined by this chapter by sole  
22 proprietorship, partnership, limited liability partnership, corporation or limited liability company,  
23 subsequently referred to as the "firm", through individuals is permitted; provided, that the  
24 individuals are in direct control of that practice; exercise personal supervision of all personnel  
25 who act in behalf of the firm in professional and technical matters; and are registered under the  
26 provisions of this chapter; and provided, that the firm has been issued a certificate of  
27 authorization by the board of land surveyors.

29 obtain a certificate of authorization from the board and those individuals in direct control of the  
30 practice and who exercise direct supervision of all personnel who act in behalf of the firm in  
31 professional and technical matters must be registered with the board. The certificate of  
32 authorization shall be issued by the board upon satisfaction of the provisions of this chapter and  
33 the payment of an annual fee not to exceed sixty dollars (\$60).

2 (4) Every firm desiring a certificate of authorization must file with the board an  
3 application for the certificate on a form provided by the board. A separate form provided by the  
4 board shall be filed with each renewal of the certificate of authorization and within thirty (30)  
5 days of the time any information previously filed with the board has changed, is no longer true or  
6 valid, or has been revised for any reason. If, in its judgment, the information contained on the  
7 application and renewal form is satisfactory and complete, the board shall issue a certificate of  
8 authorization for the firm to practice land surveying in this state.

9 (5) No firm that has been granted a certificate of authorization by the board of land  
10 surveyors is relieved of responsibility for the conduct or acts of its agents, employees, partners (if  
11 a partnership or a limited liability partnership), officers or directors (if a corporation), or members  
12 or managers (if a limited liability company) because of its compliance with the provisions of this  
13 section. No individual practicing land surveying under the provisions of this chapter is relieved of  
14 responsibility for land surveying services performed by reason of his or her employment or other  
15 relationship with a firm holding a certificate of authorization as subsequently described. In the  
16 event of unexpected death, retirement, dismissal or any other occasion where an entity has one  
17 person who is a registered land surveyor, and that person no longer can continue in the operation  
18 of the entity, then the board of registration may waive certain requirements for a certificate of  
19 authorization, for a period of not longer than forty-five (45) days, provided that the entity retains  
20 a person who is a registered professional land surveyor to review and pursue the duties of  
21 surveying that are required under this chapter.

22 (6) A land surveyor may not, for the purposes of this section, be designated as being in  
23 responsible charge on more than two (2) certificates of authorization.

24 (7) Certificates of authorization shall be treated for all purposes hereunder, including, but  
25 not limited to, renewal, expiration and lapsing, as previously provided for certificates of  
26 registration in section 5-8.1-10; provided, however, that renewal may be effected at any time  
27 prior to or during the month of June of each even-numbered year (meaning biennially)  
28 commencing in year 2004.

30 submit a copy of their articles of incorporation, articles of organization or certificate of  
31 registration in order to obtain a certificate of authorization from the board of land surveyors.

32 (9) Corporations other than those organized under chapter 5.1 of title 7, partnerships and  
33 sole proprietorships practicing in this state prior to July 12, 1990, shall fully comply with the  
34 provisions of this section within one year of that date.

1           ~~(10) Effective one year from July 1, 1990, the secretary of state shall not issue a~~  
2 ~~certificate of incorporation or certificate of organization or certificate of registration to any~~  
3 ~~applicant, or a registration as a foreign corporation, limited liability partnership or limited liability~~  
4 ~~company, to any firm, which includes among the objectives for which it is being established any~~  
5 ~~of the words "surveyor", "surveying" or any modification or derivation of those words, unless the~~  
6 ~~board of land surveyors has issued for the applicant a certificate of authorization or a letter~~  
7 ~~indicating the eligibility of the applicant to receive the certificate. The firm applying shall supply~~  
8 ~~the certificate or letter from the board with its application for incorporation or registration as a~~  
9 ~~foreign corporation, limited liability partnership or limited liability company.~~

10           (c) Land surveyor previously registered. - Each land surveyor holding a certificate of  
11 registration and each land surveyor-in-training under the laws of this state as previously in effect  
12 shall be deemed registered as a land surveyor or land surveyor-in-training as appropriate under  
13 this chapter.

14           (d) This section does not exempt the political subdivisions of the state, such as county,
