

How to access PECON recordings

Go to www.pdh.nspe.org and login using your NSPE login information.

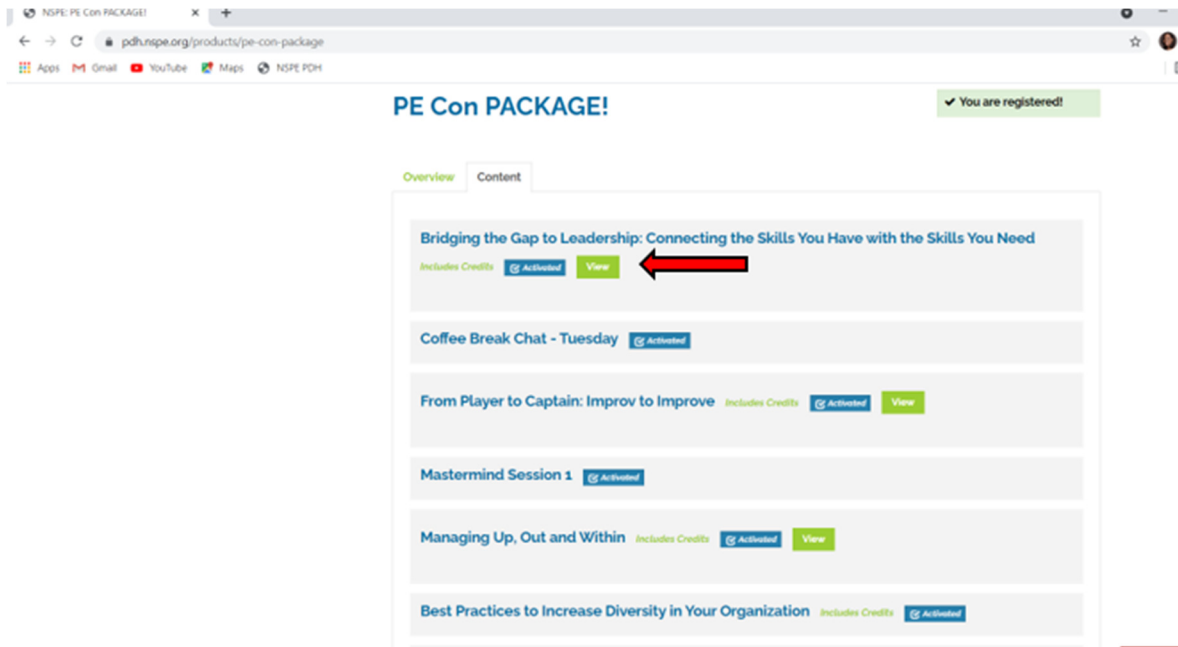

Click “My Registered Webinars” toward the left of the screen. (see image below)

Scroll to the bottom until you see “Packages”. Click on the package you registered for and it will bring up a list of the sessions in the package you registered for. (see image below)

Find your desired session and click "View". (see image below)

This page will have the link to view the session, take the quiz, download your certificate, take the survey, and download any handouts. (see image below)
