

## How to access webinars

These instructions are the same for Live and On-Demand webinars.

1. Log-in to NSPE account.

2. Go to "My Account".

3. Scroll to the bottom to the “On-Demand” section and click “Go To Webinar”.

4. They can then play the webinar, take the quiz, get their certificate, take the survey or download handouts.

The screenshot shows a web browser window with the URL `pdh.nspe.org/products/10-strategies-to-motivate-inspire-and-engage-your-team-for-results?force_login=1`. The page displays the NSPE logo and a navigation menu. The main content area features the webinar title "10 Strategies to Motivate, Inspire, and Engage Your Team for Results" with tabs for "Overview", "Handouts", and "Discussion". A sidebar on the right indicates the user is registered and provides options for "View Web Content On Demand", "Mark as Completed", "Quit", "Certificate", and "Survey".
