* New member rates cover national, state, and chapter dues for your first year only. These rates may vary depending on your state and chapter participation; please contact member services at 1-888-285-NSPE for more information. Renewal rates vary depending on your state and chapter. Membership rates and requirements are subject to change. Contributions (or gifts), dues and fees to NSPE are not tax deductible as charitable contributions for federal income tax purposes. However, they may be tax deductible as ordinary business expenses. A portion of national and state society dues is not deductible to the extent that NSPE and your state society engage in lobbying. Visit www.nspe.org/tax for information on the deductibility of voluntary contributions. 03/2017

MEMBERSHIP QUALIFICATIONS

Member

A member shall be defined as a person holding a valid license or certificate of registration as a professional engineer, an engineer-in-training or engineer intern, issued under the laws of any state, territory, possession or district of the United States or the equivalent under the laws of any other country, or a retired engineer who obtained and retained a valid license or certificate while in active practice in the profession until retirement.

Student Member

A student member shall be defined as a person who is enrolled full-time in an ABET-accredited engineering program or an engineering or pre-engineering program that has a transfer agreement with one or more ABET-accredited engineering program(s). Students enrolled full-time in a graduate-level engineering program may choose any grade for which they are eligible, including student member.
