

Steinman Scholarship Award Criteria

The Steinman Scholarship is awarded annually to two (2) current undergraduates entering the junior year in a four-year ABET-accredited engineering program. The awards are for \$5000 each.

a. Eligibility Requirements

Applicants must be students who:

- Are currently enrolled in good standing in a four-year ABET accredited engineering program;
- Will be entering the junior year in the fall;
- Are U.S. citizens

b. Evaluation Criteria

Applications will be evaluated based on:

- Grade point average;
- Internship/co-op experience and involvement in other activities;
- Faculty recommendation(s);
- Ethics essay.

c. Required Application Materials

Applications must include the following:

- A completed application;
- A resume or summary of internship/co-op experience(s) and involvement in other activities;
- Recommendations from faculty members who have taught the applicant (at least one recommendation is required—additional recommendations will receive consideration)
- A 500-word (maximum) essay on “The Importance of Ethics in the Practice of Engineering;”
- Official transcript from the current academic program.

d. Other

- Application deadline is March 1;
- All applicants will be notified of the final selection by May 31,
- The scholarship award will be disbursed to the recipient's school in one installment at the beginning of the fall semester of the junior year;
- Upon completion of the degree, the winner will be asked to submit to the NSPE Educational Foundation Trustees a report on the value of the NSPE support and their objectives regarding professional development, ethical practice, and licensure;
- An NSPE Educational Foundation Steinman Scholarship winner will forfeit receipt of the scholarship award if the recipient does not complete the year as agreed.
