

## **NSPE Position Statement No. 10-166—Professional Engineers/Certified Engineering Technicians and Technologists Relations**

**Adopted: July 2018**

**Latest Revision: July 2018**

**Sunset Date: September 2021**

**NSPE Contact: Committee on Policy and Advocacy**

**Professional Policy Supported: 10-Professional Practice**

It is the policy of the National Society of Professional Engineers (NSPE) to support and encourage engineering technicians and technologists of the engineering team, to:

1. Achieve and promote certification by the National Institute of Certification in Engineering Technologies (NICET).
2. Achieve and maintain harmony in professional activities between certified engineering technicians and technologists with those of licensed professional engineers.
3. Avoid actions and activities that place certified engineering technicians/technologists and licensed professional engineers in an adverse relationship.
